Journal assignment#6 Create recycled art!

Look around your home and observe how many clean paper, cardboard, plastic and objects are thrown out

How can you reuse some of these materials to create artwork, a building, an article of clothing, furniture, or to solve a problem in our world?

It is important to think with your hands Explore, build and play. When you come up with a 2-D or 3-D design that you like...

YOU Choose!

Build your own task.

1. make a drawing of your idea; describe it with words or

2. Paste a photo of it in your journal and bring the creation in to display in the school hall gallery.

Media:You choose.

When: Due the week of October 26 , 2009 on your art day.

Where: Art Studio
Please always bring your art journal to art class!

In addition, the Town of North Hempstead is having a recycled art contest. Enter your completed artwork by downloading the entry form and permissions from the [art studio website](#).
